

# IAC Tutorial 2026

15-16 JANUARY 2026 | GOTHENBURG, SWEDEN

## INVITATION

It is with great pleasure the Swedish Society of Clinical Cytology invites you to the IAC Tutorial "Cytopathology Update 2026" on 15–16 January 2026 in Gothenburg, Sweden.

The tutorial is a formidable opportunity for cytotechnicians and cytopathologists to attend lectures and case-reviews in FNA-topics, exfoliative and gynaecological cytopathology.

The final programme will be ready in autumn 2025, but expect two days of full immersion in Clinical Cytology.

The day before on 14 January an adjacent short course about FNA- technique will be held at the same venue suitable for residents and specialists in pathology and radiology.

## VENUE & ACCOMMODATION

The meeting will take place at Scandic Rubinen, a centrally located hotel on Avenyn in Gothenburg, with close proximity to public transport and the city's amenities.

## REGISTRATION

Registration starts in autumn 2025 through the [svfkc.se](http://svfkc.se) website.

The registration fee includes attendance at the tutorial, documentation, lunches & refreshments during breaks.

## CONTACTS

For questions or if you just want to now more about the meeting, please contact us at [iacturoial@meetx.se](mailto:iacturoial@meetx.se)

## GOTHENBURG INFO

Gothenburg is located on the Swedish west coast. Founded 400 years ago the city blends a distinct feeling of charm with the pulse of modern urban life. The tranquil archipelago is less than 30 minutes away and the city is filled with flourishing gardens, historic sites and buildings, beautiful churches and magnificent museums e.g. the Museum of Art with three stars in the Michelin Green Guide Scandinavia.

The tram-rattled streets are lined with cosy cafés and restaurants where cuisine from all over the world is offered at reasonable prices. Innovative and traditional kitchens lie side by side with hip food trucks and gourmet restaurants; seven are presented with a Guide Michelin star.
